Go

on a Listening Walk!

You could go around your house or an outside area with an adult and practise listening carefully to all the different sounds you hear. Talk about what you heard. Did you recognise all the sounds? Were they loud or quiet? Were they long or short sounds?

Make a collection of your

own noise makers. Think about lots

of different things that make a sound

and gather them together in a box or bag.

Use one of the objects to make a sound for

others to guess and identify. You could

include things like crisp packets, keys,

coins in a pot, a rattle or a

squeaky toy.

Play

the game 'I Hear with

My Little Ear'! Take it in turns

to imitate the sound of something and guess what makes that sound.

You could imitate the sounds of things

found around your house, like a

clock or a telephone, or of

recognisable animals, like

a cat or dog.

Talk

about sounds you like

and sounds you don't like

and why. Draw some pictures of

things that make sounds that

you like – for example, birds

singing, the sea or a

doorbell.
