Privacy notice for the school workforce

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, Snape Wood Primary and Nursery School, Aspen Road, Bulwell, Nottingham, NG6 7DS, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Mrs Alison Howarth (see 'Contact us' below).

Why we use this data

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way

- We have legitimate interests in processing the data – for example, where Occupational Health or HR Referrals are made.

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

Personal data is stored in line with our data protection policy and records management policy.

We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Once your employment with us has ended, we will retain this file and delete the information in it in accordance with our asset register, where it states how long we hold various records. You can request a copy of the asset register or this is available on the school website.

Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:
