## Fairtrade

### What Does Fair Trade Mean?

Some people get money by growing or making things to sell. The products are sold all over the world. The Fairtrade Foundation helps people to get a fair price for the things that we buy. A fair price helps people to live well.

This is the Fairtrade Mark

### How Does Fairtrade Help?

- It gets better prices for crops.
- It checks that people have a fair job.
- Extra money is given to groups of people.

### How Can You Help?

Buy products that have the Fairtrade Mark on.

Here are some foods that might have a Fairtrade Mark:

# Questions

## Fairtrade

### What Does Fair Trade Mean?

Some people earn their living by growing food or making things to sell. Their food and products are shipped to other parts of the world and sold in shops. It is important that people are paid a fair price for their products. They need this money to buy food

and clothing. Fair trade is about making the world fair and paying a fair price for things

we buy.

#### Did You Know...?

Fairtrade products are available in over 120 countries.

### How Does Fairtrade Help?

The Fairtrade Foundation helps to make sure that better prices are paid for crops. It makes sure there are better working conditions so workers are treated well and children can go to school. It also allows crops to be grown year after year.

### Fairtrade Products

There are over 6,000 Fairtrade products available to buy. Buying fairtrade products means that you know that the workers are being paid a fair price.

### Useful Hint

Look out for products with this symbol on. It means it is Fairtrade.

**Bananas:** Some of the bananas in our shops are Fairtrade but not all.

**Chocolate:** Fairtrade makes sure cocoa beans are sold for a fair price.

**Coffee beans:** Coffee prices go up and down. Fairtrade makes sure farmers have enough money to plant more crops.

# Questions

| 1. | What can people not afford if they are not paid a fair price? Tick <b>two</b> . |  |  |  |
|----|---|--|--|--|

# Fairtrade

### What Does Fair Trade Mean?

What is fair? Is it fair that some people have more than others? Where you are born can affect how wealthy or poor you are. There are lots of poor countries where people grow crops to make money. However, people are often paid an unfair price for their products. They cannot make any money unless they are given a fair price. Fairtrade is about making the world fairer. It is about giving a fair price for things that we buy. Producers and their

families need money for essentials such as clothes and food. They cannot afford these

unless they are paid a fair price.

#### Did You Know...?

Only one in three bananas sold in the UK is Fairtrade.

### How Does Fairtrade Help?

The Fairtrade Foundation helps to make sure that better prices are paid for crops.

Better working conditions are provided so workers are treated well and families can afford to pay for their children to go to school.

Fairtrade also keeps farming sustainable so that crops can be grown year after year.

### Fairtrade Products Around the World

#### **Bananas**

Many bananas come from the Ecuador.
A lot of banana sellers in Ecuador said

their standard of living

had improved since joining Fairtrade.

### Chocolate

Fairtrade helps farmers in Africa by guaranteeing minimum prices for cocoa beans. Certain supermarkets and shops are dedicated to providing Fairtrade chocolate.

### Coffee

The money from fairtrade coffee provides a better quality of life for farmers and their families. They are also able to grow better quality beans.

A STATE OF THE STA

from sugar cane. It is grown by millions of farmers in developing countries. The price that many farmers receive for their sugar cane

Sugar

often fails to cover their costs.

Most sugar comes

# Questions
