

## Year 1 /2 Autumn Homework-Which is the safest route to school?

Choose one of these projects related to our topic. You can complete it with family members. It needs to be completed and handed in by 14<sup>th</sup> October.

### Project 1-What kind of house do you live in?

Research into the different types of houses. Draw your own house or make a model of it. Then label it. Does it have stairs? Is it detached? Is it a flat? Is it semi-detached?

### Project 2-What type of traffic comes through your road?

Complete a traffic survey. From your house, monitor the different types of traffic that comes past your house and show this using a tally chart. How can you then present you data? Can you draw bar chart? Can you create a fact file?

### Project 3-Draw a map of a route around Bulwell.

Draw a map of your route to school. What do you pass. Label things like, shops, houses, fields. You could write instructions of how to follow your map.

### Project 4- What types of buildings are found in Snap Wood?

Take a walk around Snape Wood. What types of buildings can you see? Houses? Shops? Factories? Make a list of the different types and then record this in a tally chart or draw a map to show the houses.
