

Summer 2 Year 1

Would I prefer to live in Bulwell or Skegness?

Choose one of these projects related to our topic. You can complete it with family members. It needs to be returned by the week beginning the 4th July.

Project 1-Create a fact file about a seaside town.

Research into seaside destinations. Then create a fact file about it-where country is it in? What ocean does it surround? What are its features?

Project 2-Design your own seaside town.

Think about the features of a seaside (beach, pier, shops, sea, cliffs, harbour) and create your own seaside destination. Be as creative as you like! This could be a craft model or a drawing.

Project 3-Draw a map of a route around the seaside.

Using map symbols for beach, pier, shops, sea, cliff, harbour and sea, create an aerial view map of a journey around the seaside.

Project 4-Compare Bulwell and the seaside.

Think about Bulwell and the seaside. Compare pictures-what is the same? What is different? Where would you want to live and why?

Here are some resources to help you....
