Garden	Frogs
Omar's	
Ellie's	
Rohan's	
Anna's	

Match	Goals
1	
2	
3	
4	
5	
6	

2. This pictogram is recording the goals scored in the first 5 matches of a football tournament. However, the information for matches 1, 3 and 5 has been lost. Can you complete the chart based on the memories of the players?
  - There were twice as many goals in match 5 than match 2
  - There were 5 less goals scored in match 3 than match 4
  - Half the number of goals were scored in match 1 than match 6
