

## English

**Narrative** - This term the children will be writing their own narrative based on the short animation 'The present' by Jane Considine. We will be looking at the how we can use the Year 5 writing objectives in our independent writing.

**Non Fiction**— Also this term the children will also be writing a persuasive letter about deforestation - Major environmental problems.

## Science

Autumn 1: Space

For the next term in Year 5 we will be looking at space. We will be learning about the Earth and it's place in the solar system. The children will also be able to name the planets and explain how they orbit the sun. We will make predictions about night and day in different places on Earth.

## Maths

At Snape Wood, we follow the White Rose approach .

In Autumn 1, the children will focus on:

- Place Value
- Addition and Subtraction

## 'To infinity and beyond'

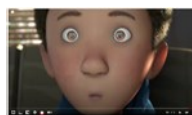

### Rationale, Hook and Final Celebration:

**Rationale:** The rationale behind teaching about Earth and Space is for children to be able to understand about the relative movement, shapes and sizes of the Earth, Sun and Moon. They will also learn about the rest of the solar system and human's exploration of space.

**Hook:** Children be given to opportunity to create a 'solar system' and a 'to design a new outfit for an Astronaut'. Here they will be able to have a clear picture of the importance of the solar system, the origin and evolution of planets, along with the conditions necessary for life.

**Final Celebrations:** Children will showcase their learning and understanding through a class assembly on what they have learned.

### Texts

### P.R.I.D.E Values and PSHE

This term, Hawthorne class are focusing on Respect. In PSHE, we will be looking at the topic 'Me and My Relationships'. We will look at establishing positive relationships with others.

### P.E. ICT Music (Junior Jam):

This term in PE we will be doing Gymnastics and in Junior Jam they will be doing Multi-Sports.

In Music, they will be focusing on Glockenspiels and in ICT they will be creating their own music using garage band.

## RE

**Autumn 1:**

This half term we will be looking at different Inspirational people in today's world . We will be looking at different religions and who they see as inspirational people now and in the past.

## DT:

**Autumn 1:** This half term we will be doing an DT project. We are looking at Electrical systems: Doodlers .

- Children will design and research doodlers.
- Children will learn what components are need to create a simple circuit.
- Children will be able to create a simple electric circuit to power a doodler.

## Geography

**Autumn 1:** This term, the children will be looking at How people thrive in the most deprived areas of the world . The children will cover the following:

- What slums are?
- What are the similarities between Rocinha and Dharavi?
- What challenges are faced by people living in the slums?
- What improvements can be made for people living in the slums?
- What next for Dharavi?
