

# Ash Class Creative Homework

Here is your homework for this term, focussing on Mountains, Earthquakes and Volcanoes. Please choose and complete at least one of these exciting tasks. If you need any resources from school please let me know and I will be more than happy to help you out. I am looking forward to seeing the amazing things you create! **Due by:** 1st February

## Make a Volcano!

Can you make a model volcano?

You could use anything you have available to you at home. Try to show the shape of the volcano. Think about what you could use to represent the lava/magma inside of the volcano. The link will provide you with an example of a model volcano that can be made at home. [Make A Volcano! - Super Simple](#)

## Design a Volcano Survival Kit!

Imagine you live close to a volcano—you need to be prepared! Create a survival kit of the things you will need in the event of an eruption!

Use this website to help think of the objects you would need to gather.

You can write this as a list or collect things you have at home and take a picture.

[Preparing for a Volcanic Eruption | Volcanoes \(cdc.gov\)](#)

## Write a Newspaper Report About a Volcano Eruption / Earthquake

Research a volcanic eruption or an earthquake that has happened. Then, present this information in the style of a newspaper or video recorded news report.

Here you can find some of the biggest volcanic eruptions: [The top five biggest volcanic eruptions - BBC Newsround](#) Select one to research and tell us all about it!

## Draw a Diagram of a Volcano

Draw a diagram of a volcano and label the features of it.

Here's a fun video which talks you through how to draw a volcano—this is a great chance to show off your drawing skills! [How To Draw A Volcano - YouTube](#)

Once you have drawn your volcano, can you label each of the features? Use this diagram to help. [What are the different parts of a volcano? \(primaryhomeworkhelp.co.uk\)](#)

## Create a Dance Sequence or a Piece of Music

Can you create a dance sequence based on movements that relate to volcanoes and earthquakes?

Can you find or create a piece of music that sounds like the sound of earthquakes and volcanoes?

Then, record your final piece and send it in!

Here is a great example of a Volcano Dance performed by a dance company [Volcano Dance by CityDance Ensemble - with captions - YouTube](#)

## Create an Edible Volcano!

Get your aprons on! Can you create a volcano out of food? There are lots of videos online of people making volcano cakes. Maybe you could have a go at following one of the recipes.

Could you use other ingredients to make an edible volcano? You might be able to use things you have in your kitchen to build a volcano. Think about what you could use as the lava!
