

Parent Feedback – Snape Wood Primary School March 2025

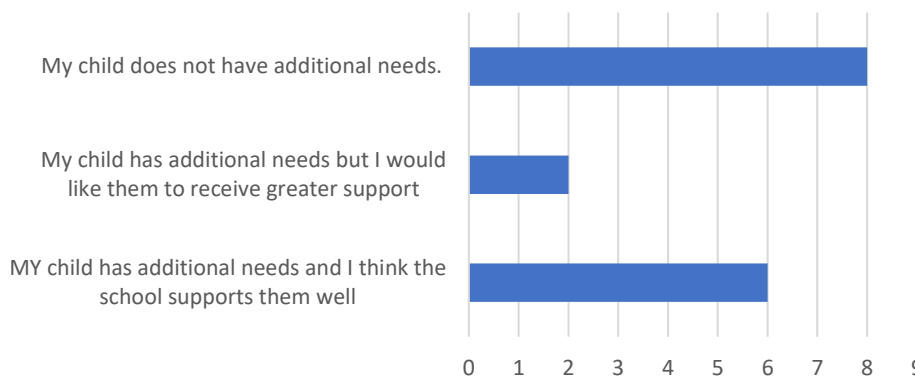

Parents had the option to provide feedback to school via a QR code shared at our Parent Open Afternoon in February 2025 and also a paper copy of our parent questionnaire at various opportunities where parents came into school to work alongside their child. **We had x16 responses to this questionnaire.**

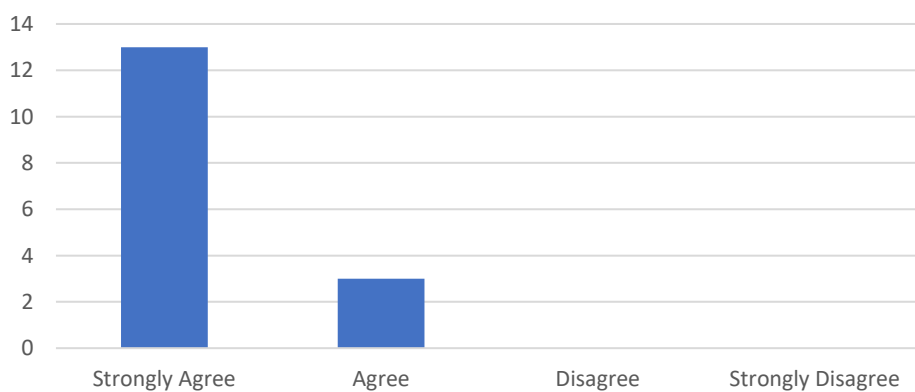

The school makes me aware of what my child will learn during the year (Half termly Curriculum Overviews / Dojo / Weekly Newsletters)

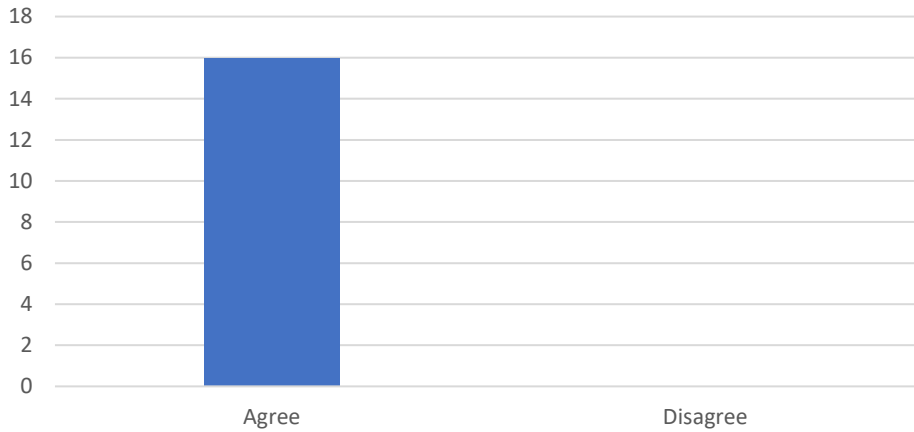

How well do you think the school supports children with special educational needs / disabilities?

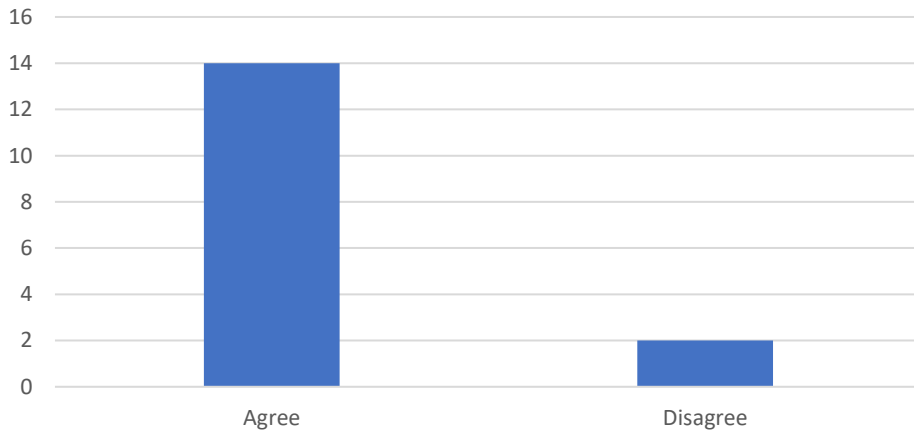

I understand that Snape Wood is aiming to be a "Book Loving School" and know how to support my child in this.

Do you feel you are able to arrange times to talk to school staff if you need to?

The school lets me know how well my child is doing and how I can support them at home

There are a good range of subjects available to my child at Snape Wood Primary School
