

# SNAPE WOOD PRIMARY

## 28.3.25 WEEKLY NEWS!

Dear Parents / Carers,

Thank you to all parents who have come into school to speak to teachers about their child's progress these last two weeks. It has been lovely to see you in school and I hope you have enjoyed having chance to look at your child's work and learning. As ever, lots has been going on this week! Governors came in on Tuesday to monitor how we are **developing our culture of reading and the teaching of writing** which staff have been working hard to improve. Year 3 and 4 were very excited today to go out to the Broadway cinema in Nottingham City to have their own private screening of "The Wild Robot" - a text which Year 4 studied earlier in the term. A big thank you to the staff who took them and the children themselves who were a credit to our school in terms of behaviour and following staff instructions. Thanks also to the Challenge partnership who have funded the trip so that it has been free to children.

We have also had excitement in Year 1 and 2 this week with animals being observed from chicks to scorpions, spider and snake skin! A big thank you to Miss Johnson for bringing in her unusual and exotic pets!

Year 6 were also pleased to hear that they will be going to visit London and have a Tour of the Houses of Parliament in July! Sounds great!

Mrs Bridges

(Interim Executive Headteacher)

Nottingham's Cultural Education Partnership

Children in Y1 / 2 getting up close with some fantastic live animals and more!

Y3 / 4 children had a great time at the Broadway cinema and Year 6 are off to London in July!

[2024-25 DATES—Follow this link](#)

We wish our families celebrating Eid a very happy time together!

Mr Kiggins  
Sports  
Coach

## Sports Coach for Summer Term:

We are delighted that in the Summer term, Mr Kiggins who works at Crabtree Primary School, will be coming to support Snape Wood school in their delivery of Sports on a Wednesday afternoon.

Our aim is that Mr Kiggins will work alongside teachers to develop our teaching of PE and we are sure that the children will very much enjoy the opportunity to be involved in these specialist led sessions!

Year 1 and 2 have been gathering their knowledge about the UK and the countries in the UK! They did a super job sharing their understanding of the key facts about Wales when I showed round visitors to our school yesterday and have worked very hard on some super factual posters all about the UK!

Can your child **tell you the countries of the UK and some facts about these countries?**

**Don't forget—Creative Homeworks are due in next week! We can't wait to see what you have been up to at home!**
